COMMUNITY INDICATORS

Protect and maintain local tobacco control coalition

infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

Protect Hoosiers from exposures to secondhand smoke by:

- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities
- Implementing tobacco-free campus policies for hospitals, health care centers, mental health centers and clinics, and addiction treatment centers

- Assisting school districts to implement comprehensive tobacco-free campuses
- Working toward smoke-free policies in public housing

Decrease adult smoking rates by:

- Promoting the Indiana Tobacco Quitline (1-800- QUIT NOW) throughout the community
- Working with health care providers to ensure they ask, advise, and refer their patients to tobacco treatment
